

## **PSC Expands Network with Michigan Location**

**Houston, TX – (March 30, 2021)** – PSC, the nation’s largest network of commercial parts and repair facilities dedicated to the tank trailer and tank truck industry, announces it is adding a new location in Owosso, Michigan.

“The last few months have been exciting for PSC as we’ve opened more locations throughout the U.S. and grown our network,” stated Jerry Cignarella, President, PSC. “This newest facility in Michigan will help us continue to deliver our full suite of services to our valued customers.”

The full-service, 12,000-square-foot facility resides on four acres at 1793 Dowling Drive in Owosso, Michigan. The location provides a range of services for food grade, chemicals, fuels and propane. John Marsh will serve as General Manager and Richard Miller will be the Service Manager at this PSC location.

“We’re excited to partner with PSC and expand our services with their nationwide footprint and range of services,” said Todd Davis, President, Bluegrass Tank & Equipment. “We’ll continue to support our customers and provide leading sanitary tank repair capabilities. Justin Wise from our team will remain on site to support our sales, leases and parts department in Owosso.”
